### THE FLATZ PROPERTIES PARTNERS WITH BEAHIVE TO BRING COWORKING TO PEEKSKILL

Scott Tillitt, founder of Beahive, and Monica Flaherty, founder of The Flatz Properties, are partnering to bring coworking to Peekskill. They hold a shared vision to build community, drive traffic to Peekskill and support the local economy.

Coworking provides a creative work environment for entrepreneurs, freelancers, microbusinesses and consultants. People work in shared space, alone and together. Beahive is a community of members from diverse backgrounds, talents, and abilities, all with a desire to grow professionally.

With memberships available starting July, 2015, Beahive Peekskill will be the premiere place to work in the Historic Downtown. The Flatz, located at 1008 Main Street, will be home to the fourth location of this exciting work model. The space at The Flatz will include rentable desks, a shared conference room, and private offices.

“The Beahive concept is really inspiring” says Erik Contzius, owner of local digital marketing agency, ZingMap. “I run my own agency, and to have people to bounce ideas off of and hang out with really gets my creative juices flowing. The space at The Flatz is gorgeous.”

There will be a free orientation at Beahive Peekskill, on Wednesday, June 24<sup>th</sup> from 5:30-7:00 at 1008 Main Street, Peekskill NY 10566. Light refreshments will be served. RSVP at <http://tinyurl.com/beahivepeekskill>
